Hello all!

As many of you have requested, we have tried to schedule at least one show within a reasonable driving distance from our loyal customers before the holidays and the last minute, dreaded, rush to the malls!

The schedule may look a bit hectic (it is!), but, with the economy in such a questionable state we are doing what we feel we must to try to stay above water and on an even keel. Rather than raise our prices (we haven't in 4 years...) we have opted to just work harder to make up the difference. Without sacrificing the shiny, colorful, sparkly, and fabulous factors, we have also tried to introduce more items to accommodate a limited budget.

As an additional incentive, we are offering a 10% discount on your total purchase when you bring a copy of the attached "coupon" to any of these shows.

Come on! Don't mope around! Get out into the fresh air and "come on down"!

Happy Holidays and we hope to see you soon!

Syd and Connie
